

Carson Valley Quilt Guild Presents National Teacher:

Velda Newman

Class – September 22 & 23, 2018

Our classes are open to the public as well as guild members!

Velda Newman is an internationally recognized contemporary textile artist, author, teacher, and lecturer who lives in Northern California. Known for her large-scale, painterly designs, most of which are based on her observations of nature, Velda creates original quilts of exceptional beauty and craftsmanship. She works in vivid colors and close-up, eye-level detail of her subjects—flowers, butterflies, sea shells, fish, and fruit—to create stunning works of art that have a tactile, three-dimensional immediacy.

Students will create texture by learning simple machine techniques which can be used for quilts or clothing. The samples you create the first day will be used as a basis for learning how to paint on fabric using acrylics, and how to “shade” with “Copic” markers and “Inktense” pencils which Velda will supply as part of your Lab Fee.

Classes: *Members* - \$70.00 Plus Lab fee of \$25.00 *Non-Members* - \$90.00 per class Plus Lab Fee of \$25.00
