

Jenny Lyon has been joyfully teaching the art of quilting since 2006. Her classes are encouraging, supportive, and light-hearted. She loves seeing her students realize that they CAN quilt their own work on a domestic machine.

She uses her domestic sewing machine to create art quilts and wearable art. She loves to watch her machine stitches create line, texture, and shadow as they merge on the surface of the fabric.

Jenny will be teaching the following classes at Western Nevada College

Saturday, March 26, 2022 – “Fearless Free-Motion – Start with a Square”

Using a scrap of fabric as a “starter,” students learn how to create a unique free motion quilted background, step-by-step. A timid free motion quilter will gain confidence in this class. This is a great class for students with a little free motion quilting experience who want to learn to combine motifs and discover their own personal style. Various motifs and fills will be taught in class. 6-hour workshop.

Sunday, March 27, 2022 – “Fearless Trapunto by Machine with Modern Quilting Fills & Frills”

Trapunto adds a beautiful raised dimension and texture to your quilts. This is an ideal class for those with some free motion experience that want to further their skills. We’ll look at how to choose fills and backgrounds and explore numerous new motifs. If you have some free motion experience and want to learn more free motion fills, then join Jenny and learn how to select and quilt “fills and frills”. Together we’ll build on the skills that you already have and learn a variety of fills and frilly motifs to add to your projects. Most motifs will be free hand; a few will use marked reference points. Let’s play! 6-hr workshop.

Class fees (each class): Members - \$40.00, Non-members - \$50.00 **(Make checks payable to CVQG.)**
