

# SUPPLY LIST FEARLESS TRAPUNTO BY MACHINE

Jenny K. Lyon

- Machine-in good working order. Bring the one you will really work with at home if possible.
- Manual for machine. Please know how to set up your machine for free motion before class

by reading your manual.

- Free Motion or Darning foot for your machine-open-toe is best. Bring a closed-toe darning

foot if that's what you have. The foot usually has a spring on it. You do need this for the class-if you're not sure, please call your machine's dealer to make sure you have the correct one.

- Put the free motion foot on your machine before you come and lower the needle to make sure it fits and works with your machine. Your quilt sandwich should move freely under a lowered presser foot. I want to make sure you have the right one!
- Thread that looks good against the color of your fabric. The right type of thread is important for this technique. Choose a thinner thread-Bottom Line, Mettler 60 weight, silk, etc. You may want to bring more than one color choice. Write me if you have any questions.
- In addition, bring Water soluble thread
- Appropriate sized needle for the thread you chose (80/12 or 90/14 will cover most threads.

Bring 70/10 if you choose silk thread). Topstitch needle preferred.

- Blue wash out marker or white marker if your fabric is dark.
- Good quality, sharp, stubby scissors-6" long or less (we will use to trim the batting closely)
- 30 or so Size 1 safety pins (these are the ones 1" long)
- Water soluble marking pen
- Pen/paper for notes
- 2 empty bobbins-wait to wind until we are in class
- Scissors or snips.
- 24" quilter's ruler for marking grids
- 2 18" squares of solid/near solid light-colored high quality cotton fabric
- Walking foot if you don't want to free motion grid work
- 4 paper towels (I'll explain!)

- I will provide a kit for your 18" square that includes 3 layers of batt and a design in class (\$4)
- Unlined paper and pencil for notes and practicing
- Any other tools/equipment that you like to use to free motion quilt.

**NOTE:** We'll break for a 1/2 hr lunch-it's probably best to bring your own.

**Bring only if you already have these:**

- Bed extender that came with your machine or your Sew Steady table. ○  
Teflon machine bed cover such as Supreme Slider.
- Straight stitch throat plate.
  
- Machine quilting gloves.
