

# Fat 1/4 Disappearing Half Square Triangle

Trim each Community Quilts fat 1/4 you received at the guild meeting to 16" square and save the trimmings.

Cut 4, 8" squares from light and dark fabrics.

Make HST from the 8" squares (Diagram I). Press seams to the dark.

Cut 1-3/4" strips from pressed HSTs (Diagram II).

Cut 8, 7-1/2" x 2-3/4" strips using trimmings from the fat 1/4s. (this is strip #5 - you will have 4 light and 4 dark)

Rearrange strips 1-4 and add #5; sew strips together (Diagram III), matching 4 dark #5 strips to the dark side of 4 blocks & 4 light #5 strips to the light side of 4 blocks.

Press and square blocks to 7 1/2".

Return the finished blocks to Community Quilts. They will combine blocks from you and others to make a beautiful scrappy quilt. Diagram IV demonstrates one way they will be combined at Community Quilts.
