

July's 2nd Saturday workshop is the Pebble Beach table runner. This is a quilt-as-you-go project, using raw edge appliqué and free motion quilting. It's a great scrap buster!

#### SUPPLY LIST

Fabric—

15" x WOF for background

15" x WOF for backing

(Or 1 yd. for matching background, backing and binding)

Various colored scraps for pebbles. We will supply additional scraps, so you'll have plenty of colors to choose from!

Batting—15" x 42"

Thread

1/2 yd. paper backed fusible web (I use Pellon Wonder Under)

Also—

Sewing machine with free motion capability

Scissors (I use sharp craft scissors for cutting paper backed fusible web)

Safety pins or basting spray

Optional—

Iron and ironing pad, plus press cloth for fusing. As usual, we will have irons available, but because this project requires quite a bit of ironing, you may find it convenient to bring your own.
