

Market Mesh Bag

Project Description:

This is a simple to make reusable market bag that is very sturdy and can be thrown in the wash if it gets dirty and requires minimal supplies. It is approximately 18" x 16" with a 2" wide bottom. Construction time is approximately 3 hours.

Supplies:

1/2 yard cotton fabric 18" x 40-42"
1/2 yard pet mesh 18" x 36"
3 yards cotton or nylon strapping 1" wide
Thread to match project
