

July

2026 CVQG Block of the Month Mystery

Section #6 – House on the Hill/Crab Apple

EQ Location: House on the Hill - Foundation/Houses

Crab Apple - Contemporary/Trees

Construction:

- Make 5 – 4.5” (unfinished) four patches and sew them together in a row.
 - The row should measure 20.5” wide x 4.5” tall
- Piece the tree and house using the Paper piecing method of your choice. The “grassy hill” portion of the house block can be made using 2 ½” strips without paperpiecing them together. The measurements are written on each section of the grass unit.
 - Square house to 12.5” x 12.5”
 - Square tree to 8.5” wide x 12.5” tall
- Sew the house and tree together as shown.
- Sew the four-patch unit to the top of the house/tree unit.
- Square section #6 to: 20.5” wide x 16.5” tall.

Row 2 is complete. You may now sew these together and connect Rows 1 and 2.
