2026 CVQG Block of the Month Mystery

Section #7 - Hay Loft/flying geese/4 patches

EQ Location: Hay Loft - Foundation Pieced/Farm

Geese – Foundation Pieced/Flying Geese

Construction:

- Make 4 – 4.5” (unfinished) four patch units. Sew together as shown.
 - This unit measures 4.5” wide x 16.5” tall
- Make 2 – 4.5” x 8.5” (unfinished) flying geese units. Sew together as shown.
 - This unit measures 16.5” wide x 4.5” tall
- Cut: one strip of “grass” 2.5” x 12.5”
- Cut: one strip of background 2.5” x 12.5”
- Construct the Hay Loft (barn) using paper piecing method of your choice.
- Sew the “grass” strip to the bottom of the Hay Loft block.
- Sew the background strip to the top of the Hay Loft block.
 - Square this unit to 12.5” wide x 16.5” tall
- Sew the four-patch unit to the left side of the Hay Loft.
- Sew the flying geese unit to the top of this new unit.
- Square to 16.5” wide x 20.5” tall

Note: We have an alternate version of the barn block with a “barn quilt” on the door and hay in the loft. We will have the pattern available at the guild meeting and online.
